The Church of God, Ministries International Feast Cruise 2023 From New Orleans

Greetings To Everyone,

Unfortunately, last year we had to cancel our Feast Cruise due to the COVID restrictions. But there was so much interest from those wanting to go on the trip, that we have decided to give it another try; especially, since we've not been able to obtain a reasonably priced facility along the coast of Alabama or Florida. We are pleased to announce that all restrictions have been lifted, and God's Feast Days aligns perfectly with the Cruise schedule for the 'Carnival Glory' departing out of New Orleans again this year.

We'll be working out all of the specifics for the schedule and the activities, but we didn't want to wait to get this news to you. Below you will find the tentative schedule we have so far, to give you time to make any arrangements if you plan to sail with us. It is open for all Church of God members, and their families. Just like all of our Feast Sites, so help us get the word out to everyone.
